Licensed in both Montana and Wyoming

Area of interest: Rheumatology/

Autoimmune disease and arthritis.

Autoimmune disease can be complicated and multifaceted and is most often lifelong.

We work to help you feel cared about and supported throughout the process. We offer

all the standard treatments as well as alternatives such as regenerative/ non-

surgical options and nutritional and lifestyle education. We offer a full infusion suite for

anyone needing infusions and can take outside referrals for those looking for an

infusion experience in a small private practice rather than a hospital setting.

Evergreen Compounding Pharmacy

Functional and Compounding Pharmacy

Kalispell, MT

Contact Phone: 406-257-2083

Website: myevergreenrx.com

Evergreen Compounding Pharmacy is the first compounding pharmacy in the state of Montana, giving our pharmacy the largest history and database of personal compound recipes we then provide to our clients. Our pharmacist is the first functional medicine certified pharmacist in the valley. Functional medicine is a whole-body, systems-based approach to identify and address the root cause of disease versus just addressing the symptoms. Our knowledgeable staff desires to partner with you for your health and wellness goals.
